

## Curriculum Vitae

### Personal Information

Last Name	:	Tsitsifli
First Name	:	Stavroula
Position	:	Assistant Professor
Academic Field	:	Water Resources Management and Wastewater and Solid Waste Treatment
Work Address	:	International Hellenic University, Polytechnic School, Department of Environmental Engineering, P.O. Box 141, 574 00, Sindos, Thessaloniki, Greece.

### Research Interests

- Analysis and Management of Water Resources systems and Water Supply Networks (Simulation, Optimization)
- Water Resources Economics, Environmental Policy
- Design, Development and Exploitation of algorithms, methods, techniques and systems introducing intelligence in Water Resources Management – Machine Learning, Multi-criteria Optimization, Decision Support and Integration of Artificial Intelligence (AI)
- Analysis and Management of Drinking Water Quality and Safety in Water Supply Networks – Water Safety Plans
- Reliability Analysis and Maintenance Analysis – Mathematical modelling – Systems Analysis – Maintenance. Crisis Analysis Management
- Hydrological modeling – Vulnerability Assessment of Water Resources
- Wastewater Management & Treatment, Water Reuse
- Environmental Impact Assessment, Life Cycle Assessment – Solid Waste Management and Treatment

### Education

1994	Diploma in Chemical Engineering, Polytechnic School, Aristotle University of Thessaloniki, grade 8.01.
	Master's in Business Administration – MBA, City University Business School, London, UK. Graduation: 24/11/1995
1994-1995	Master's Thesis (supervisor: Prof. Matthew Last): "How should small businesses develop export markets – using the Western European leather industry as a case study?"

1999-2001	<p>Master's Diploma in Modern Methods of Production and Industrial Management, Department of Mechanical Engineering and Industry, University of Thessaly.</p> <p>Graduation: 31/10/2001, grade "9.45 Excellent"</p> <p>Postgraduate Thesis: "Reliability prediction using the statistical program Minitab Release 13" – supervisor: Prof. I. Bakouros, Grade: "10 Excellent"</p>
2004-2010	<p>Completion of Doctoral Thesis and Award of the PhD Degree at the Department of Mechanical Engineering, University of Western Macedonia with grade "10 Excellent".</p> <p>PhD Thesis: "Reliability Assessment and Performance Evaluation of Water Pipe Networks". Supervisor: Prof. I. Bakouros and co-supervisor (actual supervisor): Lect. V. Kanakoudis</p>
2017-2021	<p>Postdoctoral Research at the Department of Civil Engineering, University of Thessaly. Title: "Development of an Early Warning System for the Safety of Drinking Water in Water Supply Networks". Scientific Coordinator and Supervisor: Prof. V. Kanakoudis. Postdoctoral Research Fellowship - Funding from Stavros Niarchos Foundation, implemented in University of Thessaly</p>

### Professional Experience

1995	Acquisition of Professional License of Chemical Engineering and member of the Technical Chamber of Greece (T.C.G.).
1995-1999	Production and Financial Manager (Quality Management Manager) in the company "Antonios Tsitsifli"
1999-present	Chemical Engineer (freelancer) - Technical Consultant
1998-2013	Scientific and Laboratory Associate of the Technical Educational Institute (TEI) of Thessaly
2010-2013	Lecturer under contract according to P.D. 407/80 at the University of Thessaly, Department of Civil Engineering and Department of Planning and Regional Development Engineering
2013-2025	Cooperating Teaching Staff, Hellenic Open University, Postgraduate Programme "Quality Management and Technology"
2013-2016	Academic Fellow at the University of Thessaly, Department of Civil Engineering and Department of Planning and Regional Development Engineering
2013-2021	Teaching Staff at the ICBS Larissa Business College
2016-2017	Research Associate at the Technical Educational Institution (TEI) of Thessaly
2016-2017	Lecturer under contract according to P.D. 407/80 at the University of Thessaly, Department Planning and Regional Development Engineering

2017-2021	Academic Fellow at the University of Western Macedonia, Department of Environmental Engineering and Department of Chemical Engineering
2021-2024	Academic Fellow at the University of Thessaly, Department of Environment
09/05/2025-present	Assistant Professor, Department of Environmental Engineering, Polytechnic School, International Hellenic University, subject "Water Resources Management and Treatment of Wastewater and Solid Waste" (Government Gazette 1736, Issue C, 09/05/2025).

## Teaching Experience

### Undergraduate

#### A. Technological Educational Institution (TEI) of Thessaly:

##### Department of Accounting

##### Department of Business Administration

##### Department of Project Management

1997-2002	Lecturer under contract and Research Associate (incomplete qualifications) at the Department of Accounting of TEI of Thessaly in the courses: <b>"Principles of Librarianship and Library Organization"</b> ; <b>"Methodology of Collecting Data for Research"</b> ; <b>"Labor Relations"</b> ; <b>"Seminar"</b>
1998-2001	Lecturer under contract and Research Associate (incomplete qualifications) at the Department of Business Administration of TEI of Thessaly in the courses: <b>"History and Principles of Cooperativism"</b> ; <b>"Demography"</b>
2001-2010	Lecturer under contract and Laboratory Associate (full qualifications) at the Department of Project Management of TEI of Thessaly in the courses: <b>"Organization of Modern Production Systems"</b> ; <b>"Health and Safety at Work"</b>
2002-2004	Lecturer under contract and Laboratory Associate (incomplete qualifications) at the Department of Accounting of TEI of Thessaly in the courses: <b>"Business Action Programme"</b> ; <b>"Seminar"</b>
2004-2013	Lecturer under contract and Laboratory Associate (full qualifications) at the Department of Business Administration of TEI of Thessaly in the courses: <b>"Strategy Development"</b> ; <b>"Operations Management"</b> ; <b>"Applications of Business Research in Operations"</b> , <b>"Seminar"</b>
2010-2011	Lecturer under contract and Research Associate (incomplete qualifications) at the Department of Business Administration of TEI of Thessaly in the courses: <b>"Operations Management"</b>
2011-2013	Lecturer under contract and Research Associate (full qualifications) at the Department of Business Administration of TEI of Thessaly in the courses: <b>"Operations Management"</b> ; <b>"Quality Control and Quality Assurance Systems"</b>

2012-2013	Lecturer under contract and Research Associate (incomplete qualifications) at the Department of Project Management of TEI of Thessaly in the courses: <b>“Technicoeconomic Analysis of projects”</b>
2016-2017	Lecturer under contract and Research Associate (academic experience for young PhD scientists) at the Department of Business Administration of TEI of Thessaly in the courses: <b>“Operations Management”</b>
<b>B. Civil Engineering Department, University of Thessaly</b>	
01/09/2010- 28/02/2011	Lecturer under fixed-time private law employment contract based on P.D. 407/80 at the Department of Civil Engineering of the University of Thessaly in the course <b>“Economic Theory and Policy”</b> (1 <sup>st</sup> semester)
2013 - 2020	Adjunct teaching (scientific collaborator of Prof. V. Kanakoudis) in the Department of Civil Engineering of the University of Thessaly in the course <b>“Water Resources Systems”</b> , winter semester
<b>C. Department of Planning and Regional Development Engineering, University of Thessaly</b>	
01/03/2012- 15/07/2012	Lecturer under fixed-time private law employment contract based on P.D. 407/80 at the Department of Planning and Regional Development Engineering of the University of Thessaly in the course <b>“Environmental Impact Assessment”</b>
01/03/2013- 15/07/2013	Lecturer under fixed-time private law employment contract based on P.D. 407/80 at the Department of Planning and Regional Development Engineering of the University of Thessaly in the course <b>“Environmental Impact Assessment”</b>
02/01/2017- 28/02/2017	Lecturer under fixed-time private law employment contract based on P.D. 407/80 at the Department of Planning and Regional Development Engineering of the University of Thessaly in the course <b>“Environmental Engineering”</b>
02/01/2018- 28/02/2018	Lecturer under fixed-time private law employment contract based on P.D. 407/80 at the Department of Planning and Regional Development Engineering of the University of Thessaly in the course <b>“Environmental Engineering”</b>
2015 - 2016	Co-teaching (for half semester) as Academic Fellow at the Department of Planning and Regional Development Engineering of the University of Thessaly in the course <b>“Environmental Engineering and Management”</b> (3 hours per week for half semester)
2013 - 2014	Co-teaching (for half semester) as Academic Fellow at the Department of Planning and Regional Development Engineering of the University of Thessaly in the course <b>“Environmental Impact Assessment”</b>
<b>D. Department of Environmental Engineering, University of Western Macedonia</b>	
05/10/2017- 09/02/2018	Lecturer in the Department of Environmental Engineering of the University of Western Macedonia in the course <b>“Hydraulics”</b> , winter semester
<b>E. Department of Chemical Engineering, University of Western Macedonia</b>	

18/10/2019-31/07/2020	Lecturer (Academic Fellow) in the Department of Chemical Engineering of the University of Western Macedonia in the courses: <b>“Health and Safety at Workplaces”</b> and <b>“Environmental Management”</b> in Winter Semester and <b>“Special Topics in Environmental Engineering”</b> in Spring Semester
-----------------------	---

12/10/2020-30/06/2021	Lecturer (Academic Fellow) in the Department of Chemical Engineering of the University of Western Macedonia in the courses: <b>“Life Cycle Analysis – Circular Economy”</b> and <b>“Mechanisms and Control of Water Pollution”</b> in Winter Semester and <b>“Environmental Management”</b> in Spring Semester
-----------------------	--

#### F. Department of Environment, University of Thessaly

2023 – 2024	Lecturer (Academic Fellow) in the Department of Environment of the University of Thessaly in the courses: <b>“Environmental Economics I”</b> , Winter Semester
2021 - 2023	Lecturer (Academic Fellow) in the Department of Environment of the University of Thessaly in the courses: <b>“Environmental Economics”</b> , Winter Semester (2 semesters)

#### G. Department of Environmental Engineering, International Hellenic University

2025-present	<b>“Solid Waste Treatment and Management”</b> , 5 <sup>th</sup> semester, Theory and practical exercises <b>“Wastewater Treatment and Management”</b> , 7 <sup>th</sup> semester, Theory and practical exercises <b>“Smart Cities”</b> 7 <sup>th</sup> semester, Theory and practical exercises
--------------	---

#### Postgraduate

#### H. University of Thessaly

2010-2011	Teaching Assistant in the postgraduate programme of the Department of Civil Engineering of the University of Thessaly in the course: <b>“Management and Simulation of Water Supply Systems”</b> , Winter Semester
2010 - 2012	Co-teaching in the postgraduate programme of the Department of Civil Engineering of the University of Thessaly in the course: <b>“Environmental Policy and Water Resources Economics”</b> , Spring Semester
2011 - 2012	Co-teaching in the postgraduate programme of the Department of Civil Engineering of the University of Thessaly in the course: <b>“Management and Simulation of Water Supply Systems”</b> , Winter Semester
2013 - 2014	Teaching Assistant in the postgraduate programme of the Department of Civil Engineering of the University of Thessaly in the course: <b>“Management and Simulation of Water Supply Systems”</b> , Winter Semester
2013 - 2014	Teaching Assistant in the postgraduate programme of the Department of Civil Engineering of the University of Thessaly in the course: <b>“Environmental Policy and Water Resources Economics”</b> , Spring Semester
2013 - 2015	Co-teaching in the postgraduate programme of the Department of Planning and Regional Development Engineering <b>“Spatial Analysis and Environmental Management”</b> of the University of Thessaly in the course: <b>“Waste Management”</b> , Spring Semester

---

### **I. Interdepartmental Postgraduate Programme “Sustainable Management of Environmental Changes and Circular Economy”, University of Thessaly**

---

2018 - 2023	Co-teaching in the postgraduate programme of the Interdepartmental Postgraduate Programme “Sustainable Management of Environmental Changes and Circular Economy”, University of Thessaly in the course: “ <b>Modern Environmental Management Policies and Technologies - Environmental Standards – Circular Economy</b> ”, Winter Semester (5 semesters)
2021-2022	Teaching in the postgraduate programme of the Interdepartmental Postgraduate Programme “Sustainable Management of Environmental Changes and Circular Economy”, University of Thessaly in the course: “ <b>Non-conventional water resources – Circular economy and pricing policies</b> ”, Winter Semester (1 semester)
2023-2025	Teaching in the postgraduate programme of the Interdepartmental Postgraduate Programme “Sustainable Management of Environmental Changes and Circular Economy”, University of Thessaly in the course: “ <b>Modern Methods of Environmental Management and Environmental Standards</b> ”, Winter Semester (2 semesters)

---

### **G. Hellenic Open University**

---

01/10/2013- 31/07/2014	Teaching as Cooperating Teaching Staff at the Hellenic Open University, Postgraduate Programme “Quality Assurance”, thematic unit: “ <b>Special topics for Quality</b> ” (DIP61)
2015-2025	Teaching as Cooperating Teaching Staff at the Hellenic Open University, Postgraduate Programme “Quality Management and Technology”, thematic unit: “ <b>Special topics for Quality</b> ” (DIP61)

---

### **Supervision**

---

#### **K. Undergraduate**

---

Member of a three-member examination committee for six (6) undergraduate theses and co-supervisor of two (2) undergraduate theses at the Department of Civil Engineering, University of Thessaly.

Supervision of seventy (70) undergraduate theses at the Department of Business Administration of the Technological Educational Institution (TEI) of Thessaly

---

#### **L. Postgraduate**

---

Supervision of thirty (30) postgraduate theses completed at the Hellenic Open University, postgraduate programme “Quality Management and Technology”

Supervision of one (1) postgraduate thesis at the Interdepartmental Postgraduate Programme “Sustainable Management of Environmental Changes and Circular Economy”, University of Thessaly

---

#### **M. PhD Thesis**

---

---

## Member of Three-Member Committee of PhD Students

---

---

## Member in PhD Thesis Examination Committees

---

---

### Departmental Administrative Work - Committees

---

2019-present	Member (elected) of the Steering Committee of the Technical Chamber of Greece, Regional Department of Central and Western Thessaly
2019-present	Member (elected) of the Delegation of the Technical Chamber of Greece, Regional Department of Central and Western Thessaly
2020-present	Coordinator of the Permanent Committee of Environment, Energy and Climate Change of the Technical Chamber of Greece, Regional Department of Central and Western Thessaly

## B. National

---

1.	15/06/2007- 15/03/2008	Participation under project contract in the project “Funding of research activities. Investigation of reliability of the fluid transport networks using the method of Discriminant Analysis and Classification”, Civil Engineering Department, University of Thessaly Research Committee (Scientific Coordinator: V. Kanakoudis)
2.	10/07/2008 - 10/01/2009	Participation under project contract in the project “Determination of operational indicators of the water supply network of the Municipal Water Supply and Sewerage Company of Kos according to the International Standard of IWA”, University of Thessaly Research Committee (Scientific Coordinator: V. Kanakoudis)
3.	02/12/2013 – 05/12/2013	Participation under project contract as lecturer in the project “Organization of Seminars” at the Innovation and Entrepreneurship of the Technological Educational Institute of Thessaly. Title of the seminar “Entrepreneurship and Environmental Policies”
4.	01/05/2014- 31/05/2014	Participation under project contract in the project “Wastewater analyses for companies”, University of Thessaly Research Committee (Scientific Coordinator: A. Kungolos)
5.	21/05/2014- 20/08/2014	Participation under project contract in the project “Environmental Planning”, Technological Educational Institute of Thessaly Research Committee
6.	01/11/2014- 30/11/2014	Participation under project contract in the project “Physicochemical analyses of wastewater and dehydrated sludge of the wastewater treatment plant of the Municipality of Tirnavos”, University of Thessaly Research Committee (Scientific Coordinator: A. Kungolos)
7.	17/01/2015- 30/09/2015	Participation under project contract in the project “Integrated Service of the Hellenic Academic Electronic Textbooks Accumulator” of the project “HELLENIC ACADEMIC ELECTRONIC TEXTBOOKS” as a co-author of the book entitled “Integrated Management of Urban Water Supply Networks”, Research Committee of the National Technical University of Athens (NTUA)

---

8.	01/03/2015- 31/08/2015	Participation under project contract in the project “Developing digital courses, supporting the institutional platform and other actions” implemented in the context of the project “OPAN COURSES OF THE UNIVERSITY OF THESSALY” for the development of digital courses “Management and Simulation of Water Supply Systems” and “Environmental Policy and Water Resources Economics” in the Civil Engineering Department of the University of Thessaly, UTH Research Committee
9.	12/10/2015 – 31/08/2016	Participation under project contract in the project “Evaluation of the operational level of the water supply networks of the municipal districts of Eani and Krokos of DEYA Kozanis and investigation of the convergence point of efficient and cost-effective use of the water network of DEYA Kozanis with the application of new technologies”, UTH Research Committee (Scientific Coordinator: V. Kanakoudis)
10.	01/12/2017 – 30/11/2020	Postdoctoral research project “Development of an Early Warning System for Water Safety in water supply networks”, UTH Research Committee (Scientific Coordinator: V. Kanakoudis)
11.	02/05/2018 – 20/05/2018	Participation under project contract in the project “Analysis of the Water Balance and assessment of performance indicators of the water supply system of Larissa – Development of an original hydraulic model in a pilot are based at an original methodology of the University of Thessaly – Estimation of the full water cost recovery level of DEYA of Larissa in the context of the WFD 2000/60/EC based on an original methodology of the University of Thessaly”, UTH Research Committee (Scientific Coordinator: V. Kanakoudis)
12.	27/06/2018 – 30/11/2018	Participation under project contract in the project “Technical Support Consultant Services for the Water Directorate of the Decentralized Administration of Eastern Macedonia and Thrace for the management and monitoring of water quality of the River Basin Management Plans”, UTH Research Committee (Scientific Coordinator: V. Kanakoudis)
13.	06/09/2019 – 06/11/2019	Provision of Services Contract for the preparation of the Technical Specifications and Tender documents of the studies: A. Compilation of the General Plan for Water Supply – Masterplan; B. Implementation of Water Safety Plans; C. Determination of the protection zones of the water abstraction works of DEYA Kozani”
14.	01/07/2019 – 20/08/2019	Participation in the Working Team of the Technical Chamber of Greece Regional Department of Central and Western Thessaly for the scientific work entitled “Comparative analysis of the 1 <sup>st</sup> River Basin Management Plan and its update regarding the qualitative adequacy of the water resources in the Water District of Thessaly”, Technical Chamber of Greece Regional Department of Central and Western Thessaly
15.	15/09/2020 – 30/09/2020	Provision of Services Contract as a Technical Consultant for the compilation of a feasibility technical report of the proposed project from DEYAL “Replacement of the internal and upgrade of the external water supply network of Larissa and supply of digital water meters” for the submission of a project proposal to the Call AT01

for funding in the Programme of Development and Solidarity for the local government “Antonis Tritsis” in the priority axis “Environment entitled “Water Infrastructure”, DEYA of Larisa

16.	20/12/2021 – 20/12/2022	Provision of Services Contract as a Technical Consultant for the elaboration of the Operational Business Plan of DEYA of Kozani for the period 2021-2025, DEYA of Kozani
17.	08/2022	Provision of Services Contract as a Technical Consultant for the compilation of the feasibility technical study and the support of the evaluation criteria of the project entitled “Replacements of the internal Water supply network of Larissa and supply of digital water meters”, DEYA of Larissa
18.	08/08/2023 – 31/03/2024	Provision of Services Contract as a Technical Consultant for the elaboration of the General Plan for Water Services and the Operational Business Plan – Carbon Footprint study”, DEYA of Larissa
19.	25/04/2023 – 24/11/2023	Provision of Services Contract as a Consultant supporting the activation of actions in the section of Environment of the “Thessaly” Programme 2021-2027 and the evaluation of the climate proofing criterion, Managing Authority of the Region of Thessaly
20.	29/12/2023 – 28/12/2024	Provision of Services Contract as a Consultant supporting the activation of actions in the section of Environment of the “Thessaly” Programme 2021-2027 and the evaluation of the climate proofing criterion, Managing Authority of the Region of Thessaly
21.	31/12/2024 – 30/4/2025	Provision of Services Contract as a Consultant supporting the activation of actions in the section of Environment of the “Thessaly” Programme 2021-2027 and the evaluation of the climate proofing criterion, Managing Authority of the Region of Thessaly
22.	30/04/2024 – 31/07/2024	Participation in the Working Team of the Technical Chamber of Greece Regional Department of Central and Western Thessaly for the scientific work entitled “Optimization of the Safety through proposals development derived from the investigation and assessment of solutions for the problem of the railway lines crossing within the urban areas of Larissa, Trikala and Karditsa”, Technical Chamber of Greece Regional Department of Central and Western Thessaly
23.	30/09/2024 – present (end of contract 29/09/2026)	Provision of Services Contract as a Technical Consultant for the project “Network and Infrastructure Performance Audit – GIS Management in DEYA of Kozani 2024-2026”, DEYA of Kozani
24.	29/01/2025 – 28/02/2025	Provision of Services Contract as a Technical Consultant for the “Compilation of the Technical Specification and the Tender Documents for the study entitled “Updating and determination of protection zones for the water intake points for human consumption from groundwater systems on DEYA of Larissa”, DEYA of Larissa

25.	11/03/2025 – 10/08/2025	Provision of Services Contract as a Technical Consultant for “Provision of Services Contract for the 5-year General Plan for Water Services”, DEYA of Thermi
26.	25/04/2025 – 24/09/2025	Provision of Services Contract as a Technical Consultant for “Elaboration of the 5-year Operations Business Plan of DEYA of Livadia (incorporating the cost-pricing of water services study) for the submission to RAAEY for issuance of the management capacity certificate of the water services provider”
